Dear Mr. Rice:

This communication is to inform you that your proposal to locate the Cellular One Tower on the property of Eldred Neubauer, which adjoins my property approximately 500 feet off Settles Road, is totally unacceptable.

The reason for my position is indeed understandable. Since Mr. Neubauer owns a considerable number of acres, it is without reason that the tower would be located so near my property and Marty Walker's property. The location of said tower would without question impact the value of our property. In reviewing the geography, topography and logistics of the surrounding area, it is apparent that there are several other locations far more suitable for a facility of this type.

Be it understood that my opposition to your proposal will be forwarded to the Executive Director's Office of the Public Service Commission of Kentucky, P.O. Box 615, Frankfort, Kentucky.

Sincerely,

Mickey T. Walker
